1. As a user new to wine, I want to be able to view a tutorial on how wine is made.

2. As a user new to wine, I want to be able to view a tutorial on the differences between red and white wine.

3. As a user new to wine, I want to be able to view a tutorial on how to taste/consume wine.

4. As a user new to wine, I want to be able to view a tutorial on the various terms used when referring to wine.

5. As a user new to wine, I want to be able to view a tutorial on the different wine accessories that are necessary to begin enjoying wine.

6. As a user new to wine, I want to be able to view a tutorial on how to store and serve various types of wine.

7. As a user new to wine, I want resources to further research wine.

8. As a user, I want to have the option to track my inventory/collection.

9. As a user, I want to have the option to add wine bottles or cases to my inventory.

10. As a user, I want to be able to add info about the quantity, type, vintage year and winery when I update my inventory.

11. As a user, I want to be able to indicate when I finished a bottle of wine so it is removed from my inventory.

12. As a user, I want to add pictures of the label of the wine I purchased.

13. As a user, I want to have the option to search the web for a picture.

14. As a user, I want to have the option to rate the wine I have tried.

15. As a user, I want to have the option to comment on the wines I have tried.

16. As a user, I want to know if my friends have commented a certain wine.

17. As a user, I want to have the option to include the price I paid.

18. As a user, I want to have the option to include the location of bottles of wine in my house.

19. As a user, I want to have the option to share my inventory with others.

20. As a user, I want to have the option to create a wish list.

21. As a user, I want to have the option to add wines to my wish list.

22. As a user, I want to have the option to view my wish list in thumbnail format.

23. As a user, I want to have the option to review ratings and comments on the wine on my wish list.

24. As a user, I want to have the option to take a picture of the wine I want, or download the picture from the Internet.

25. As a user, I want to have the option to find the nearest place where I can purchase a particular wine.

26. As a user, I want to have the option to know the average price of the wine on my wish list.

27. As a user, I want to have the option to share my wish list to other users, or Facebook friends.

28. As a user, I want to have the option to follow other's wish lists.

29. As a user, I want to be notified when I am almost out of a certain wine.

30. As a user, I want to have the option to include a ranking system in my inventory.

31. As a user, I want to have the option to view all the wine I have opened in my inventory.

32. As a user, I want to be able to look at my friend's favorite wine list, to give me ideas for gifts.

33. As a user, I want to be able to invite my friends to join the application through Facebook.

34. As a user, I want to be able to create wine events.

35. As a user, I want to be able to invite friends to my event.

36. As a user, I want to be able to see wine ratings and comments from my friends.

37. As a user, I want to be able to search for a wine by taking a picture of the bar code.

38. As a user, I want to be able to request recommendations based on my ratings for wines.

39. As a user, I want to be able to search for the wine I want to drink by providing some information I know about the wine.

40. As a user, I want to be able to search for wines that suit a specific occasion.

41. As a user, I want to be able to search for wines by taste characteristics.

42. As a user, I want to know approximately when it will be safe to drive after consuming some wine.

43. As a user, I want to be able to enter my height and weight to make Blood Alcohol Content estimations.

44. As a user, I want to be able to tell the application what wine I am drinking or plan to drink and have the app suggest a meal to pair with my wine.

45. As a user, I want to be able to see the recipe for a dish when the application suggests it as a pairing.

46. As a user, I want to be able to tell the application what meal I am eating, and have the app suggest a wine that would complement the meal well.

47. As a user, I want to be able to choose the suggested wine to be from my inventory or from a store/winery.

48. As a user, I want to log into the application with a unique ID and password.

49. As a user, I want to retrieve a forgotten User ID.

50. As a user, I want to retrieve a forgotten password.

51. As a user, I want to create an account for me to use with the application.
